## Agri News

### *New Rainwater Harvesting Scheme*

€8m in grant aid is now available to farmers under a Rainwater Harvesting Scheme

Grant aid of 40% for rainwater harvesting equipment is being paid out, up to a maximum of €25,000 investment per farm.

For application forms, qualification details and all you need to know check out [ww.gearoidbuckley.ie](http://ww.gearoidbuckley.ie)

### *Record Number of Online Applications*

Cllr Gearóid Buckley has welcomed the fact that a record number of farmers had availed iNet, the Department of Agriculture's on-line application facility, to lodge their 2011 Single Payment Scheme applications.

The 54,000 forms lodged on-line represent an increase of 25% over 2010 and an increase of over 600% since iNet was introduced in 2007, when just 7,500 applications were lodged on-line.
